

JUDICIARY QUATERLY REPOTING

MEDIATION 1ST QUARTER JANUARY-MARCH 2022

Case Type	No. of Cases Allocated	Pending set down & Mediation	Set Down	Partially Settled	Finalised / Settled	Pending	Failed	Non-Attendance	Remarks/Issues
Civil Stream:									<ul style="list-style-type: none"> • There is a challenge to follow up on cases in which do not attend mediation sessions because we do not have resources such as airtime. This clearly affects the success rate. • There is also a problem of unavailability of printers and cartridges, this hinders efficient performance and breaches confidentiality aspect • Consistency of the statistics is hardly seen because most cases are not set nor heard during the quarter whit in which they were allocated. Most of them are heard later in the next quarters. There are always cases carried forward from the previous quarters
